The Senior Surgeon having made a reference to Government in April 1922 that the Ayurvedic College was not serving any useful purpose, as it had not been provided with adequate facilities for practical training and that it was open to Government to decide whether it was desirable to continue the college as such the Muzrai Commissioner was requested to submit his views in the matter. He has replied to say that he has been studying the question and will submit his proposals on the subject on receipt of the Government of Madras orders on the recommendations of the Committee appointed to report on the Indigenous --- systems of medicine. RESOLUTIONS TO BE MOVED AT THE REPRESENTATIVE ASSEMBLY OF 1924 on the BUDGET. (None)

Resolutions of Messrs D.S.Mallappa and four others.-

The proposed re-organization of the Ayurvedic College be held in abeyance until facilities are created for all classes of students to acquire sufficient knowledge of Sanskrit for such admission into the above said college.

Financial Secretary's remarks.-

The resolution is in order. This is not reasonable and therefore not acceptable. It is not right that the reorganization of the Ayurvedic College should be indefinitely put off until "all classes of students acquire sufficient knowledge of Sanskrit". The Resolution has to be entrusted to the charge of the Second Member of Council

Dewan's order.-

Yes. (Id.) A.R.B./7-6-24.

Resolution of Mr. B.Narasinga Rau.-

That this assembly is of opinion that the Ayurvedic College of Mysore deserves a more liberal scale of pay for its staff and recommends the creation of a more extensive staff.

Financial Secretary's remarks.-

It is under contemplation to reorganize this College and a provision for the purpose has been included in the next year's Budget. The resolution may, therefore, be accepted and the Second Member may be in charge of it.

Dewan's order.-

Yes. (Id.) A. R. B. /7-6-24.

Local & Legis. (Medical) Secretary, with compliments.
